PROFESSIONAL EXPERIENCE

Executive Assistant & E-Commerce Operations Lead (AI Automation)
Multi-Marketplace Medical Products Brand

Oct 2023 – Present
Remote

- **Multi-Marketplace Store Operations:** Direct multi-country account management across 8 platforms including Amazon (US, UK, EU, JP), Walmart US, Etsy, Allegro, Mercado Libre, Shopify, and WooCommerce for a regulated medical products brand.
- **Catalog & Search Optimization:** Create and optimize high-converting multi-language listings, manage backend keywords, build parent-child variations, and execute bulk inventory changes via Excel flat files.
- **Search Term Rankings:** Delivered systematic rank-tracking analysis that successfully drove and maintained **#1 Best Seller rank on Amazon US for 9–11 primary search terms**.
- **AI Workflow Automation:** Engineered and managed a fleet of AI agents (utilizing Claude, Grok, and LLM automation tools) to streamline routine store operations, automated rank-tracking reporting, and system monitoring.
- **Advertising & Promotions Management:** Execute Amazon PPC advertising campaigns (Sponsored Products & Sponsored Brands), coordinate Meta ad strategies, and configure promotional campaigns, coupons, and dynamic pricing rules.
- **Supply Chain & FBA Logistics:** Coordinate inbound FBA shipment creation, oversee 3PL carton prep and labeling compliance, manage UK customs clearance through freight agents, and monitor active stock levels.
- **Account Health & Compliance:** Safeguard store metrics by auditing medical health claims, managing GTIN/GS1 barcodes, and authoring successful account health reinstatement appeals and FBA reimbursement claims.
- **Customer Support:** Manage customer service interactions through Zendesk, maintaining high customer satisfaction while adhering to regulatory medical product response guidelines.

Seller Partner Support (SPS) Associate
Amazon Operation Services Philippines, Inc.
Jan 2022 – Sep 2023
Pasay City, Philippines

- Provided technical and operational support to Amazon sellers via phone, email, and chat regarding account creation, listing troubleshooting, pricing logic, order management, payment processing, and seller policy compliance.
- Guided third-party merchants through FBA inbound shipment creation, barcode/labeling guidelines, inventory reconciliation, and seller account metric health.

Freelance Community Manager & Virtual Assistant
Nov 2021 – Jan 2022

- Executed digital community engagement, content scheduling, chat moderation, and monthly analytical tracking reporting.

Customer & Technical Support Specialist (BPO Operations)
Sep 2017 – Sep 2021

- **Operations Technical Support Specialist II (Telus | Feb 2021 – Sep 2021):** Conducted advanced technical troubleshooting, device diagnostics, and process documentation.
- **Telecom Technical & Billing Specialist (Aug 2019 – Jan 2021):** Analyzed billing structures, resolved technical service tickets, and negotiated payment schedules.
- **Mortgage Delinquency Consultant (Sep 2017 – May 2019):** Evaluated account financial status, resolved delinquent mortgage balances, and managed customer negotiations.
